

Empowering our community with essentials.

Development Director

Location: Park City, KS

Schedule: Full-Time

About Us

Simply Hygiene is a community-based nonprofit dedicated to ensuring access to hygiene essentials while promoting health, dignity, and hope. We are entering an exciting growth phase and are seeking a Development Director to help expand our impact through strategic fundraising.

Position Summary

The Development Director leads our fundraising efforts, with a strong focus on acquiring new donors, growing recurring revenue, managing grants, and executing fundraising campaigns. This role works closely with the Executive Director, Board Development Committee, and internal partners.

Key Responsibilities

- Develop and execute an annual fundraising strategy
- Build relationships with new corporate and individual donors
- Lead grants, fundraising campaigns, and events
- Launch and manage monthly giving and peer-to-peer programs
- Serve as staff lead for the Development Committee
- Track and report fundraising performance

Qualifications

- Bachelor's degree
- 3+ years experience in nonprofit fundraising or development
- Strong relationship-building and communication skills
- Experience with grants, campaigns, or donor engagement
- Strategic, organized, and results-oriented
- May need to work nights and weekends for donor and fundraising events

Why Join Us

- Opportunity to shape and grow a fundraising program
- Direct impact on community health and dignity
- Collaborative leadership and engaged Board
